

Reside:

- *All construction must meet current codes as described in MN Residential Code 1309*
- Re-side permits are “over the counter” they can be issued the day of receipt
- This is an \$80.00 fixed fee permit
- A weather barrier must be installed where not initially placed.
- Flashing must be installed per IRC 703.8
- Inspections: Tear off (weather barrier) and Final are required
- The required inspections must be called a minimum of 24 hours in advance. Inspections are scheduled first come first serve, so you may not get an inspection in 24 hours so plan ahead
